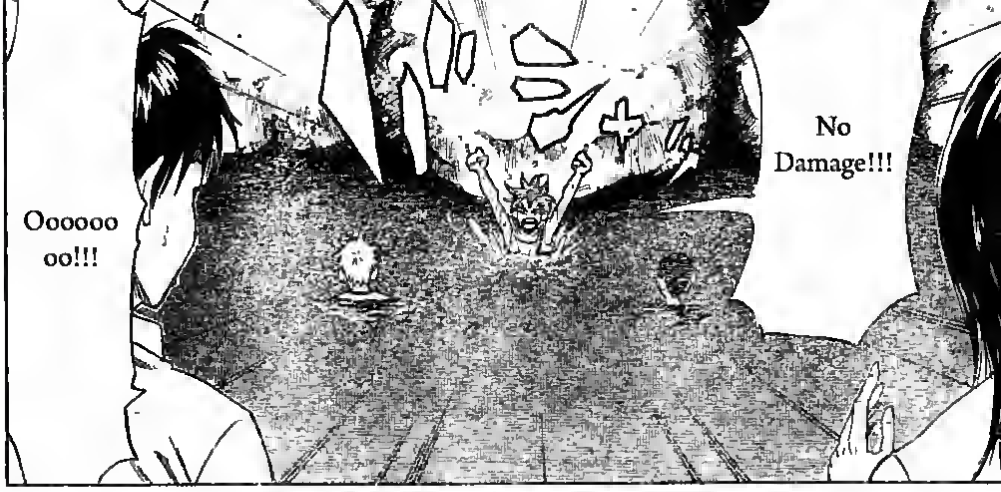
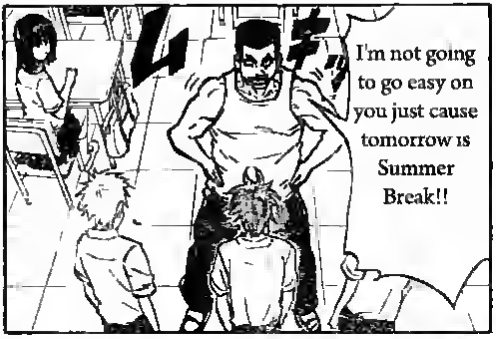
He doesn't have enough distance to make it!!!
Ooo!!

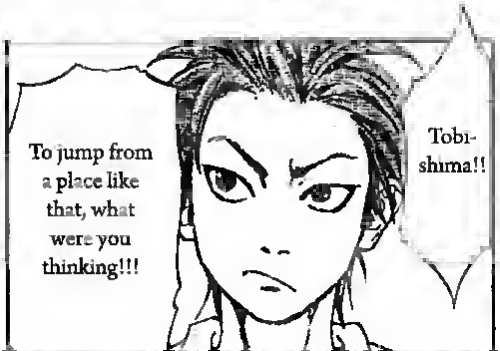


No Damage!!!
Oooooo oo!!!



I'm not going to go easy on you just cause tomorrow is Summer Break!!

Test of Courage!?
Idiooooot!!

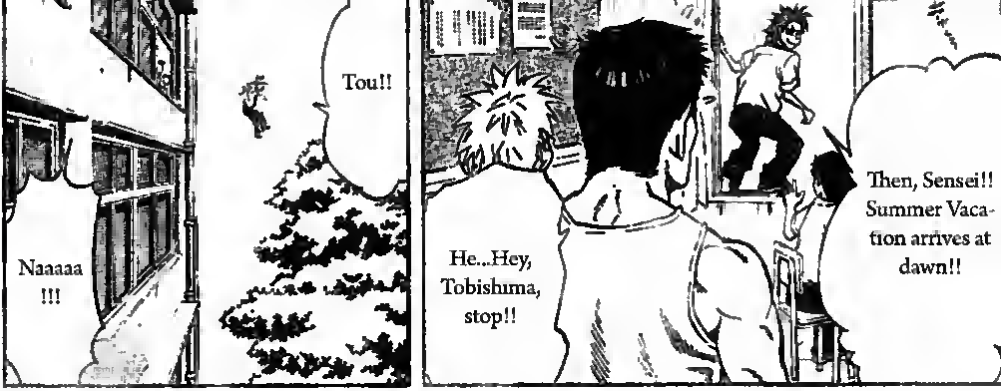


To jump from a place like that, what were you thinking!!!
Tobi-shima!!

This is bad...
Hold on!!
To think your father would have such an idiot

It's here---, Ogura's Gatoling!!
Eat the Iron-Fist of Love, Tobishi-maaaaaaa!!

No Damage!!
Oooooooo!!
Hahaha, Understand, Tobishima?



Naaaaa !!!

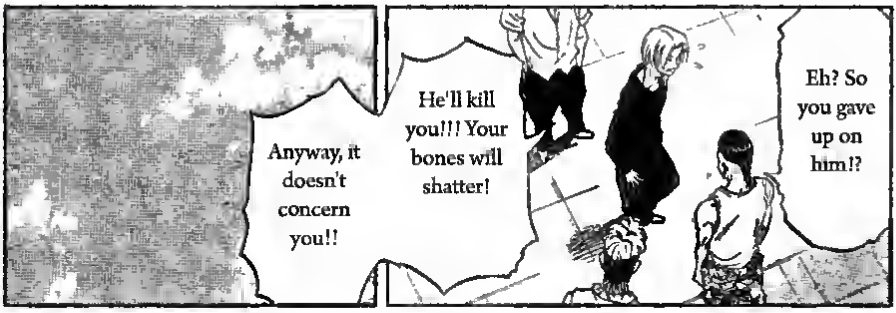
Geeze, what is his body made of...

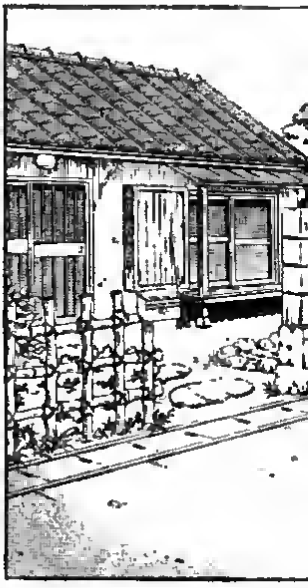
Aaa
Nn!?
What are you lookin at me for!!!
What are you looking at, Senpai
Se... Senpai, Who was that
You don't know!?
He...Hey. Tobi-shima, You well!?
Yup!! Starting Tomorrow is Summer Break!! See ya
Hey!
Aah!

That guy beat me in a fight in one round, without even breaking a sweat!!
He's Negima-chuu's Founding Leader, "Red Ironman" Tobi-shima Ken's eldest son, Tobi-shima Sen!! /side/ His hair is red



Anyway, it doesn't concern you!!
He'll kill you!!! Your bones will shatter!
Eh? So you gave up on him!?

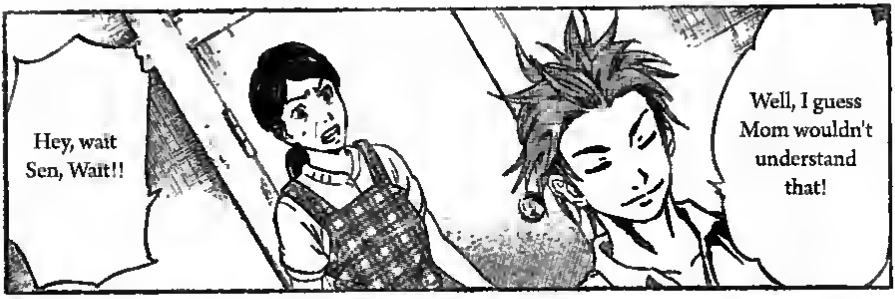
Ah!! He just came home!!! Yes... I'm sorry!!!
I'm bome--!!!



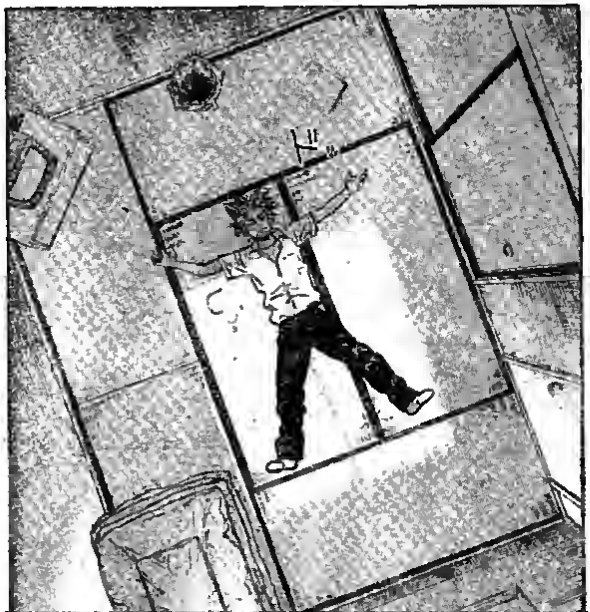
Oou, Mom, Summer Vacation has arrived
Sen, did you ditch school again!?

What are you doing!!
Whaddaya mean Summer Break!!! Your Sensei just called, and I got an earful!!
The Orangutan stopped, Thank God
Kuhaha, Everyone was really surprised!! They were all going "who's that" and "oh my"
And today, you not only plunged from a rocky mountain, but you jumped out of the 3rd floor
You caught Pit Vipers with your bare hands to sell to pharmacies
You challenged a Zoo's Orangutang to an armwrestling match
And they didn't sell well
People like your father still die!!?
Why can't you be like all the other children, you're so different!? Even if you inherited your father's strong body
That's your reason for doing something so absurd!!

That's no good, but still
I'm going to live my life and change that death
Isn't that how a man should be!?



Hey, wait Sen, Wait!!
Well, I guess Mom wouldn't understand that!



Se...

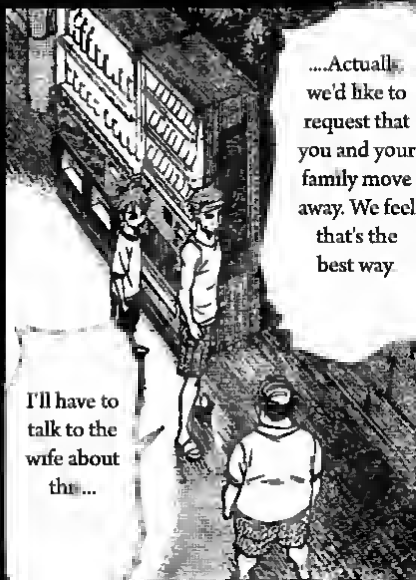
Father, how'd you get those injuries!!!
Getting killed isn't a laughing matter!!
Your clumsiness will be the end of you!!
Right
Actually, I got squished by some falling timber, man I'm beat!
You're so clumsy!!
Tobishima-san!!
Worrying is just your mother's duty
Is it that bad of a thing!? Your invincibility

It's fine, I'm perfectly healthy
That's not the problem!!

Weren't you crusbed by a tree!? I was worried!!!
You left the accident site, so it's the Safety Comity's responsibility to send me to fetch you!!

You're only still around because the Supervisor likes you, I-I, or well, the company feels you're unnecessary!!
Weren't you injured putting roof tiles up before!?

Please quit the company!!
I'll take full responsibility for this...!!

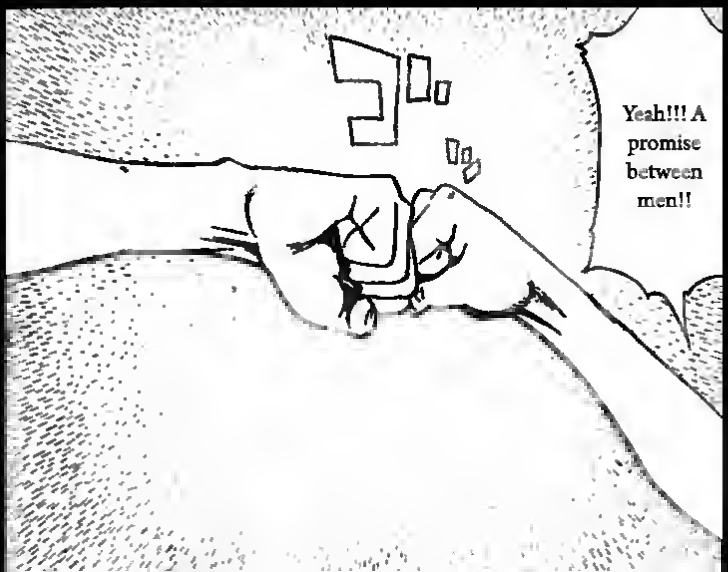


....Actually, we'd like to request that you and your family move away. We feel that's the best way
I'll have to talk to the wife about this...

Please!! You're still young!
Is there anyway to make it up to you!? Please...!!!
Not in front of my son...
We've barely even just started!!
Well, Let's agree to get by without worrying!!
Quit your work!? What aare you thinking!!?
My injury is just causing you to worry
You're so carefree! You don't get it!!!
...Dad

Why would you say something like that?
You think if I say things like that to her, she'll come to hate me?
Well

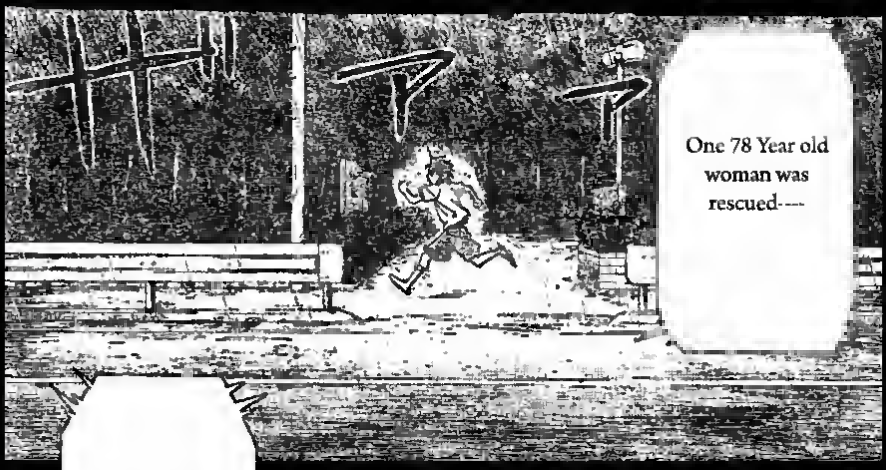
That's right
出来た!!
Men are supposed to over do things!! Pretty cool, neh?



Yeah!!! A promise between men!!

Ah! That's right, you won't tell mom or anyone!?
It's a promise between men!!

Gahahahaha Alright then, I'll drink it!
I want juice!
Alright, as expected of my son!! You get to have a drink of Sake!!



One 78 Year old woman was rescued---

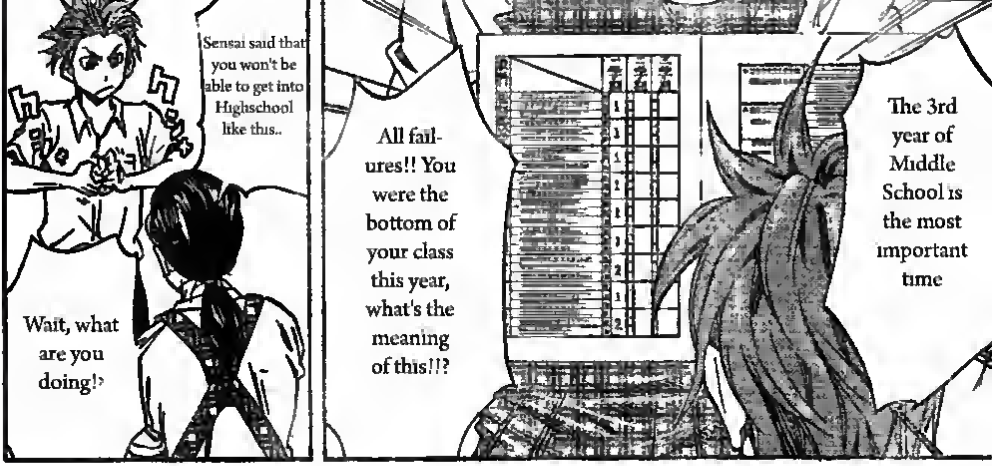
One male is missing---

Tobishima Ken-san, 37 years old---
Are you ok Grandma!
The woman was saved from the raging river
Dad...!?

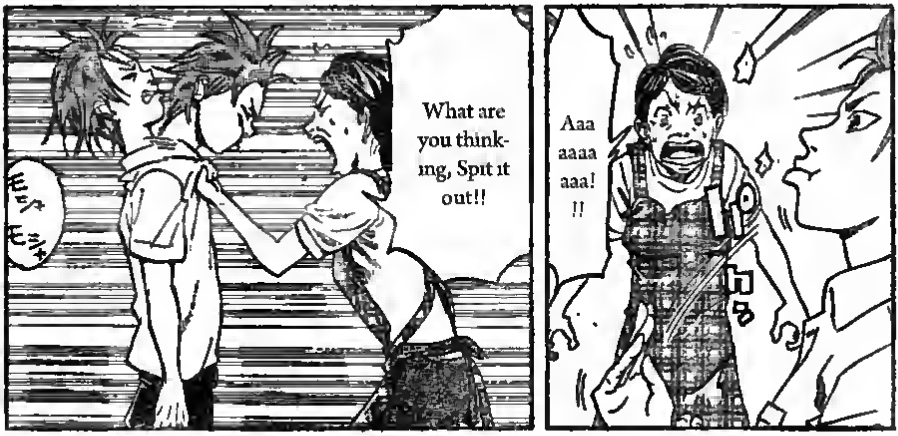
Hi... His son!!
He jumped in from the shore to save here, when the rope snapped and now...
My mother was caught on the rocks
But she was going to drift off any second, then Tobishima....
Ash, Grandma's safe!
Daddy did the right thing saving her
He saved her
I'm so sorry, instead of me, Tobishima
A letter of resignation from the company?
B...but, it can't be. Something like that...
You! Would you stop saying such things about Tobishima-san!!?
A horrible reason for him to jump in like that

He saved me, Tobishima-san did.
That timber was going to crush me, and he saved me. I should have been the one to die!!
Wha... What are you talking about, how is it your fault!?
Th-... Then it's my fault !!!!
He covered me and said "My body is strong"
I'm... still new at the job... and he was looking out for me...
Wha.....
You too, he was always saving you behind your back
We were always being protected by Tobishima
Dangerous. At work, that guy would always do things like that... even if he was half injured.
Wha... How, without even saying a word...
Things like this didn't have to become
That's not true!

He's not a man like that!!!
Daddy isn't a man like that!!!
Sen!!
Stop it, Sen!!
Go away!!
Go away, Dumbasses
Sen-kun...
This is why!! This!!
Why are you being so noisy
Sen!! Wake up!!!
Just now, your sensei came here to deliever this!!
通知表



Sensai said that you won't be able to get into Highschool like this..
Wait, what are you doing!?
All failures!! You were the bottom of your class this year, what's the meaning of this!!?
The 3rd year of Middle School is the most important time



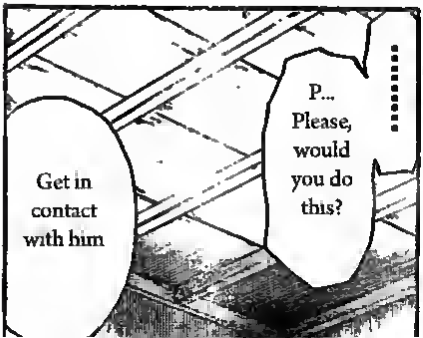
What are you thinking, Spit it out!!
Aaaaaaaaa!!!

There isn't much good to understand!!
Sen...
Geeze, how could you do something like this... I really don't understand you.

Ken was also just as uncon-trolable
Mother, is it that time?

Mother
He's steadily looking more and more like Ken, Sen is.

One month of hard work should be enough for the child
Let's hand him over to that person's place!

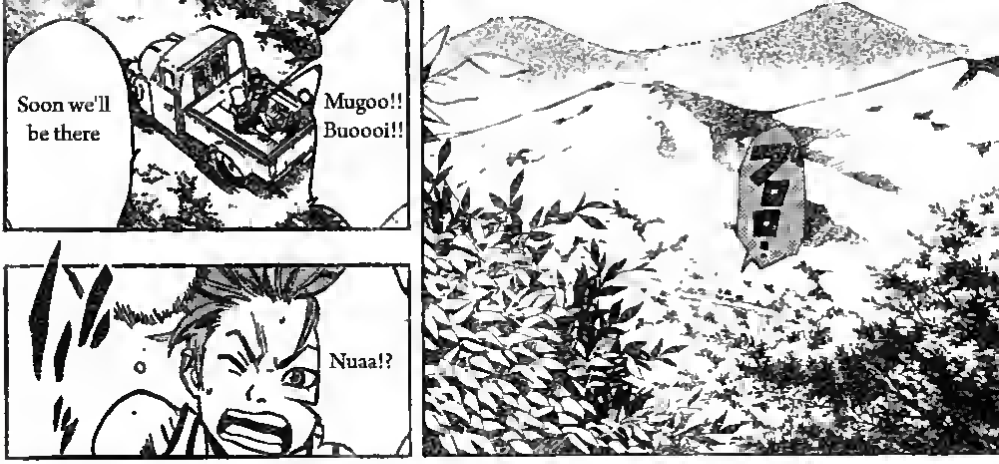


Get in contact with him
P... Please, would you do this?

Sen also once was watched over
That person, it can't be...

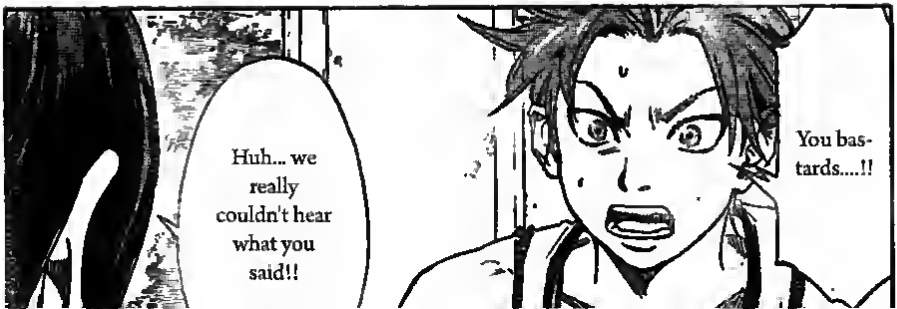
Yeeeeeeeeeeah!!! Summer Vacation!!!
Mother, is sen going to be ok, going on this trip
Don't worry Don't worry.
I got in contact with him
Hey Sen!!
Let's go dowo to the dry river bed!!!

Uwaa!
!
Muu!?
Tha-... That was danger-ous, Dumbas .. Bu!
ust now... was Sen kidnapped?
Muu!?



Soon we'll be there
Mugoo!! Buoooi!!
Nuaa!?
ｽﾞｻｰ

Yo
Nice to meet you, Tobi shima Sen-kun



Huh... we really couldn't hear what you said!!
You bastards....!!

I don't care what your name is!! someone listen to me
Use the right honorifics
I'm Sakurawada Suzu I'm in the same grade as you, and this person is
Sawahashi Kouki, I'm one grade higher than you, so use the right honorific.
Your mother put you under the care of my grandfather
You'll be here during summer break
During summer break...!?
I mean, what kind of answer is this
Ah, we're here!
Wh.... Where is this place!?
This is where you'll spend your summer. My grandpa's house.
I'm home

You're Ken's son... You look just like the bastard
Ah! Who are you!!? You knew my dad!!?
Yeah, I knew him
I seem to recall his stupid face, geeze
kukuku....
What, Crappy old man
Hey, give me a proper explanation!! What's going on here!!?
Aaaa, that's because
A boxing gym!?
It's Kick-boxing, boy
Yes sir!!
Please take in Tobishima Sen!!

Wha...
and "Please fix him"
Your mother asked us to take her unruly son

Eh!?
I can do whatever I want, I'm going home!!!
What a friggin joke!! This is the all important Summer Break!!!

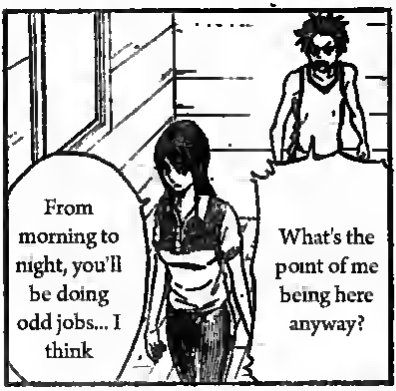
I still don't get it!!
There's only one road leading away from here The one we came on

Be... Bears!? Even more two hours!!
Finished already? Bears like to come out across the road, and it takes two hours to walk

The question.... *no clue*
Aaah, you're a little slow

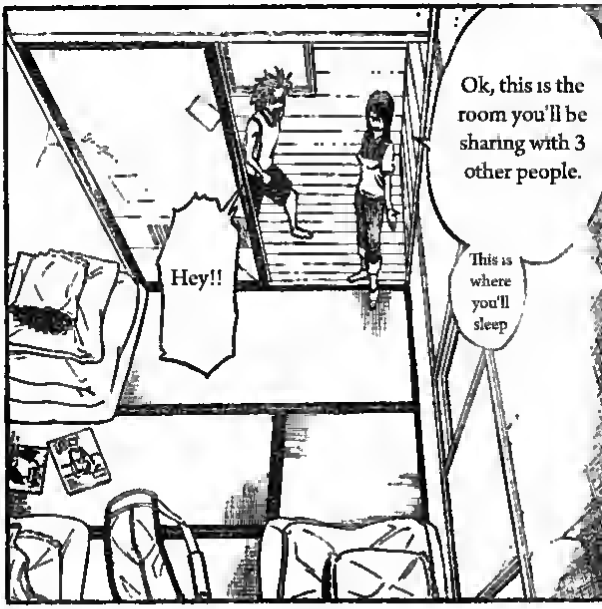
Your father used to fight all the time, and was completely uncontrollable
And then Grandpa set him straight
Then Answer!!
What's the connection between us!!?
Your grandfather and our grandpa were friends.
You're going to need to change yourself, study, and start thinking about the future
When big injuries don't seem strange, that's just nonsense
I only fight a little bit, it's not like anyone can match me...
Match you, eh
Our Grandpa is incredibly famous in this business
What's the reason that we can't beat you?
So listen up

Well, that doesn't mean you don't bave to do Kick-boxing
Of all the people he's taught, every one of them has gone insane

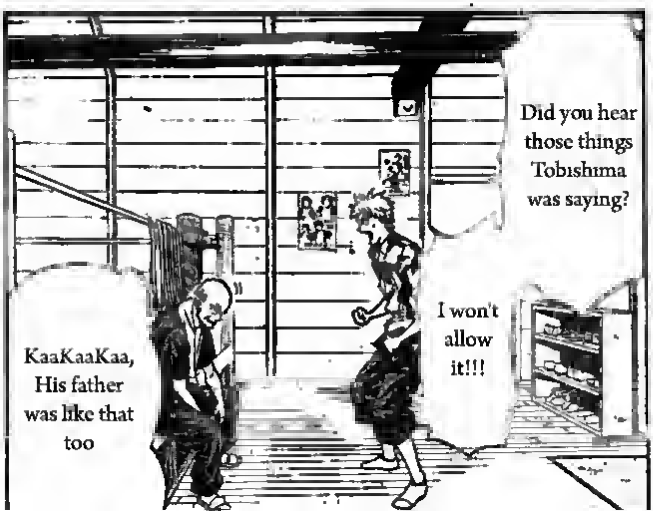


From morning to night, you'll be doing odd jobs... I think
What's the point of me being here anyway?

Whaaaat



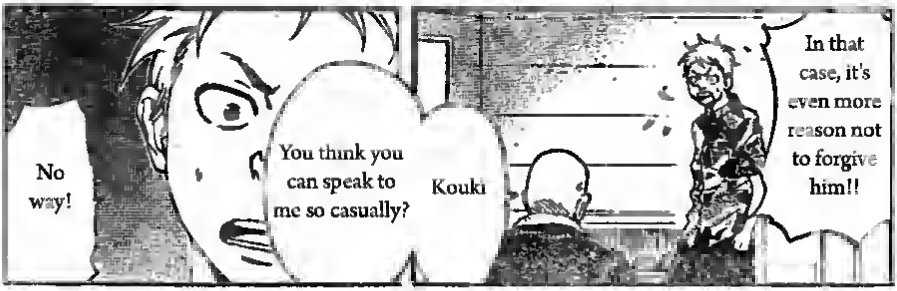
Ok, this is the room you'll be sharing with 3 other people.
This is where you'll sleep
Hey!!



Did you hear those things Tobishima was saying?
I won't allow it!!!
KaaKaaKaa, His father was like that too

Boss!!

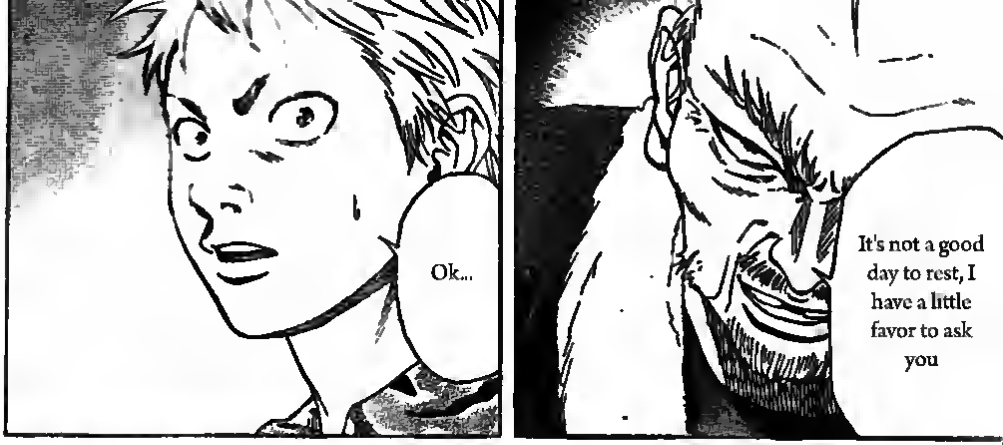
Kakaa, That's impossible!! That idiot will change!!
What kind of person doesn't know you!!! I'd like to go one round with him...



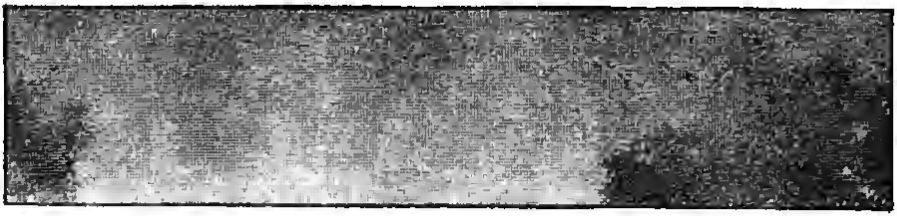
No way!
You think you can speak to me so casually?
Kouki
In that case, it's even more reason not to forgive him!!

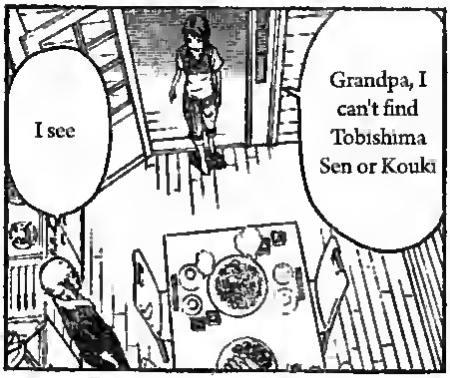
.... Not really...
Do you under stand that?
That guy's father under-stood me well enough to talk casually to me

Ah! That's right, Kouki
Ye... Yes sir...
Don't worry!! you're strong
Kaakaakaa!! You really are an idiot!!

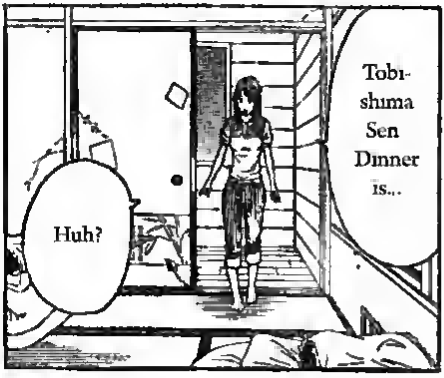


Ok...
It's not a good day to rest, I have a little favor to ask you

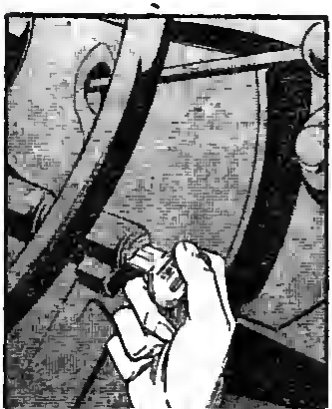




I see
Grandpa, I can't find Tobishima Sen or Kouki



Huh?
Tobi-shima Sen Dinner is...



It's too late to go back
Wh... Where'd they go, Grandpa

Drive drive.... where?
キュルルル
Get out
Bastard, do you even have a license?
Oh!!
Ooooo oo!!? What are you doing!!!
Three times.
You're in the way!! I'm escaping this way!!
If you wanna complain, hurry up, you're

It wasn't all that sudden
What was that for all of a sudden, bastard!

Fu...

I said it and you didn't understand, so I hit you
Didn't I tell you to use the proper honorifics!?

It's just like the Boss said, you're exactly like your father.
So you're running away?
Who would use then for a guy like you!!
I already said it, you're definitely in my way!!
.... What do you mean!!
Your father jumped into that river to escape!!
He was a bad husband!! You'll steadily learn it
To try and save somebody was just an excuse to jump into the river and die
Think about it!! Why are you so famous in town!? An unemployed person like him
Bastaaaaard!!!

Shii!!

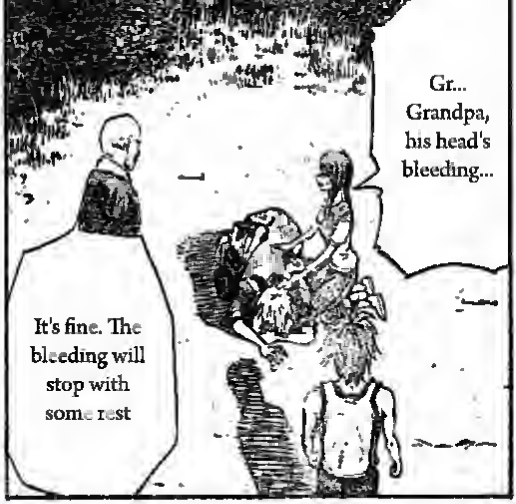
A right counter punch was coming next, I think...!!
Not enough!! I've been working on this kick for 3 years!!
ゴロ
Aren't you going to stop it!? He's going to get really hurt!!
Gr... Grandpa
I knew it, it's started
It seems like he's getting back up...
Just watch
It can't be... You planned this!?
This is an importantly place to watch
No. Sen really wouldn't have run away
There's nothing for me to know

Wha!!? He's still able to stand... !!?
Ooooo oo
Don't talk about me or my dad like that, you basta-aaaard!!!

How is he still moving!?
Learn some manners, bastard!!
You!!
Stop it
This is bad! Kouki is really serious...!!!
Mu...
Three times more powerful than their punch!!!
Kouki weighs 60 KG, yet his kick
With long arms, and thick heavy legs, the power of a Kickboxer's kick is

Nooo....!!
carries the same force as a 100 KG Champion's punch
Wha...!!
Even though that huuuuuurt

Ga...
NO DAM-
AAAAAAGE!!
!!



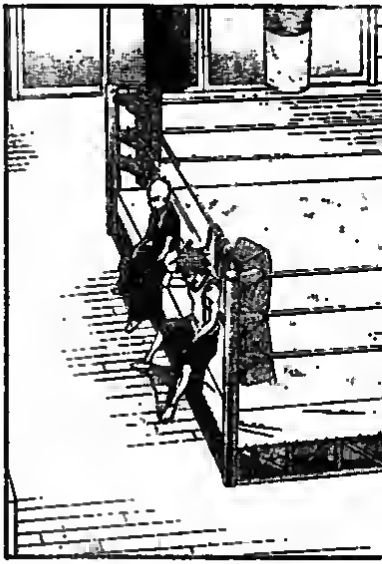
Gr... Grandpa, his head's bleeding...
It's fine. The bleeding will stop with some rest

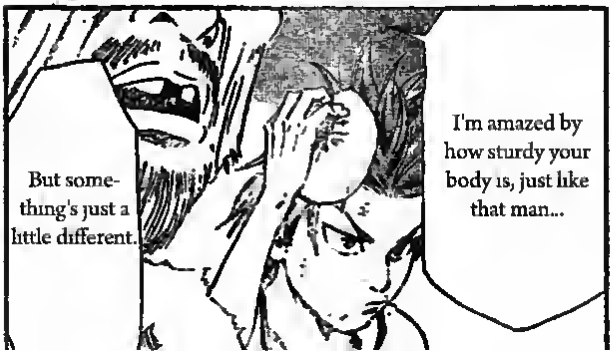
Stoooop! Stoooop!
Haa ...
Haa

Owowo w, let go!
It's fine, just come!

I've got... No damage.
You come too, You need a little help.

Our Rep Fighter rubbed him the wrong way and got the same beatdown
You really are like your father... On his first day here, he planned to escape





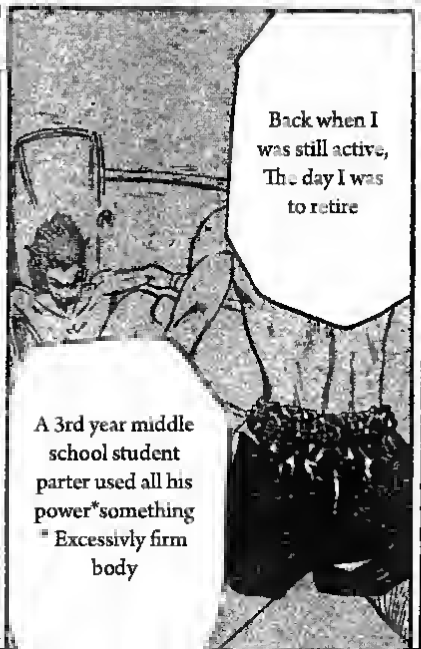
But something's just a little different.
I'm amazed by how sturdy your body is, just like that man...

!!
What's the reason behind your endless willpower?

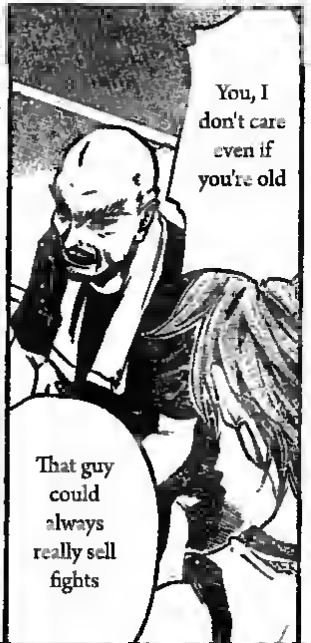
KaKaKa, He was an idiot! He was the biggest idiot I know!!
My dad wasn't an idiot, you crappy old man!!!

won't tell me huh? That's ok...
Well, you're stupid father told me.
.....

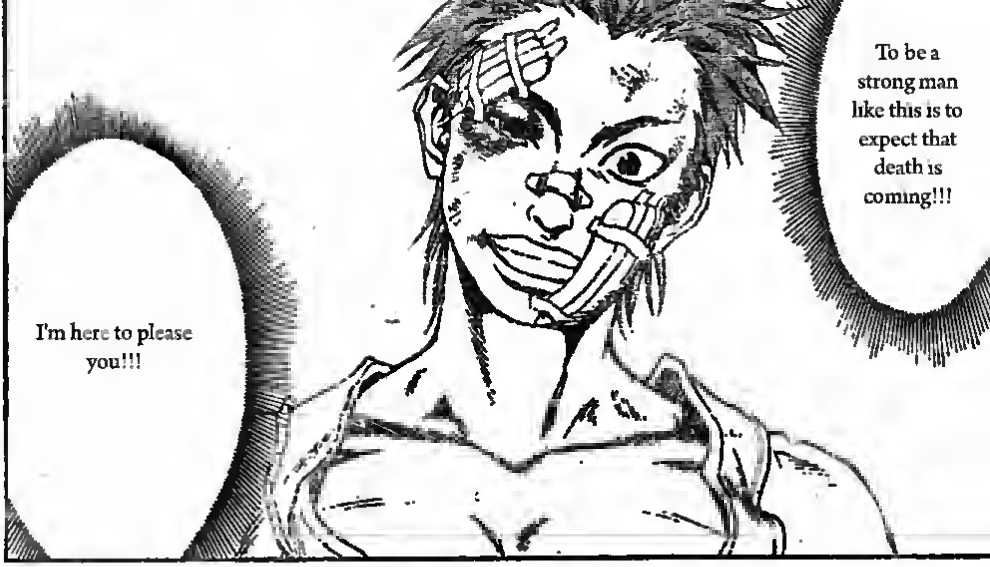
And then, one day, he said to me
Day after day he'd try his hardest, and would always get a KO



Back when I was still active, The day I was to retire
A 3rd year middle school student parter used all his power*something * Excessivly firm body



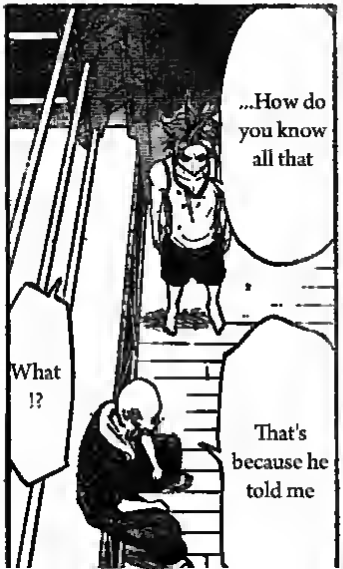
You, I don't care even if you're old
That guy could always really sell fights



To be a strong man like this is to expect that death is coming!!!
I'm here to please you!!!

It wasn't just his body, his heart was that of a strong man's too
He was awkward and clumsy, I always expected him to lose

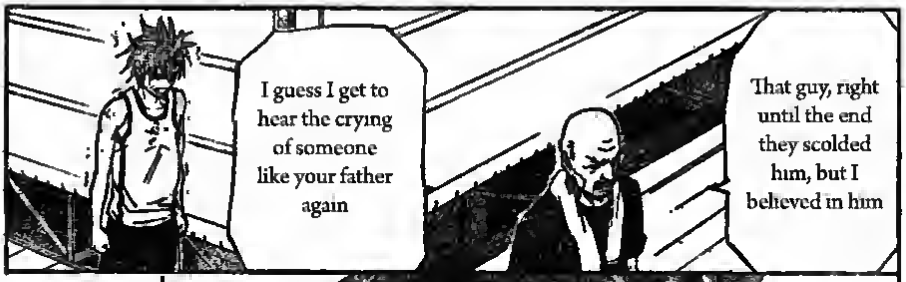
Kickboxing....
Since then, I've missed that something that makes me happy



...How do you know all that
What !?
That's because he told me

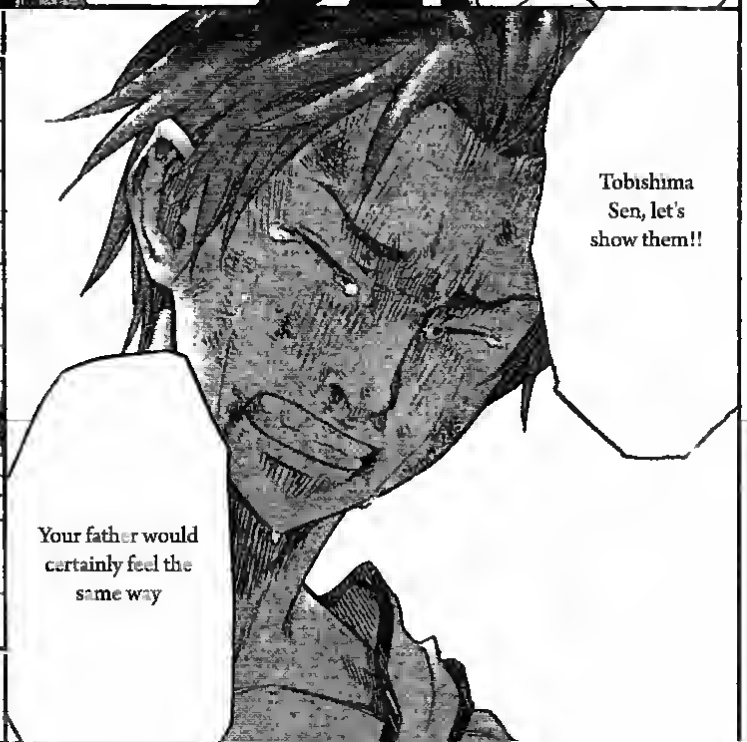
How many times have I seen that dream
That idiot had a kick to tell the world about

He said "It's a promise between men"
So you've heard it too?
That guy liked things like that



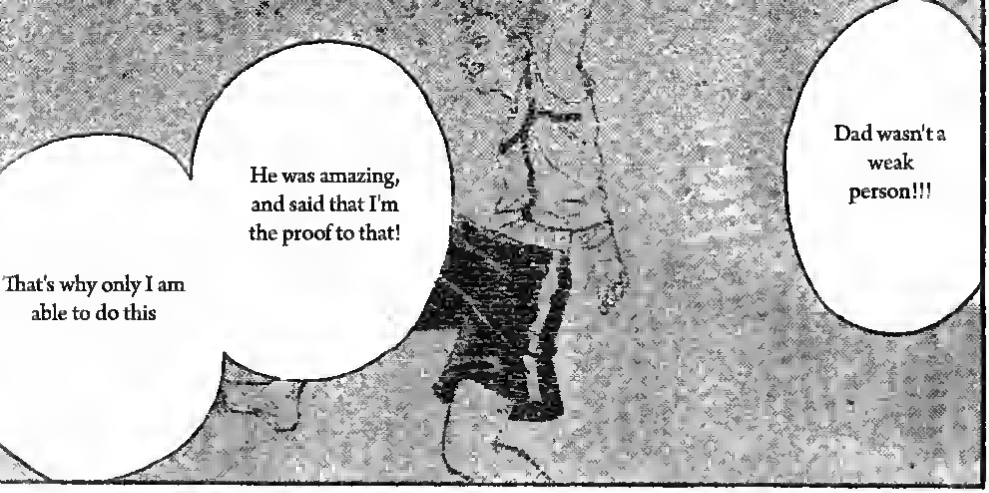
That guy, right until the end they scolded him, but I believed in him
I guess I get to hear the crying of someone like your father again

Grand pa!

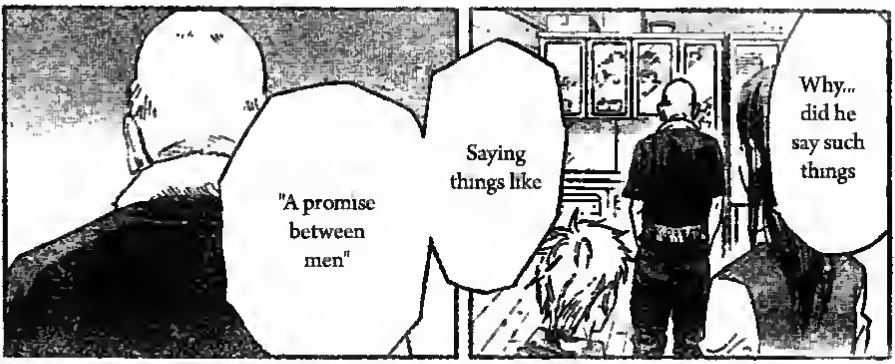


Tobishima Sen, let's show them!!
Your father would certainly feel the same way

They?
They can do that with their bear fists
There's no way a fist could do this kind of damage
It's amazing, That guy was holding a stone or something, right!?
Once I was hit while he was wearing a glove!!!
And I'm only alive because he had it on
いー！
The Tobishima family's bones are as hard as stone
?
I'm sure he'll come around to getting used to us
Probably
Besides, I expect odd things from that guy
Either way, he'll be under our custody over this summer break
That's completely unreasonable, how could someone be like that?
So your front teeth are from Sen's father...!!



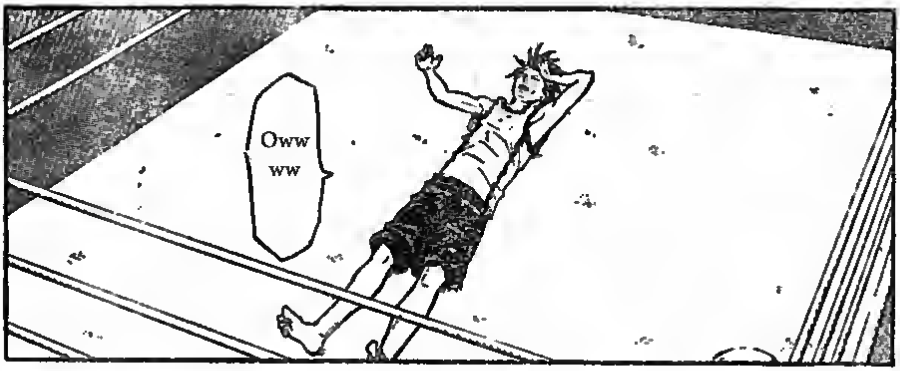
Dad wasn't a weak person!!!
He was amazing, and said that I'm the proof to that!
That's why only I am able to do this



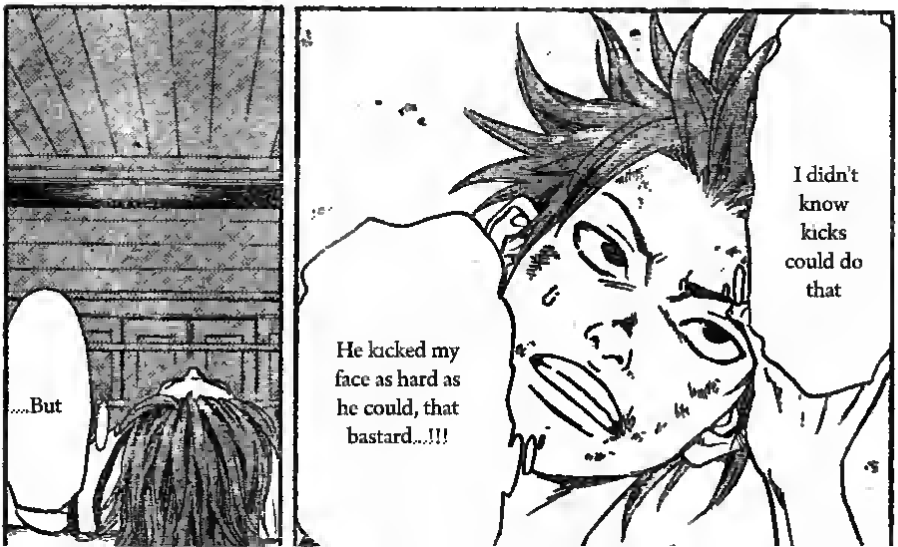
Why... did he say such things
Saying things like
"A promise between men"

I really can't come to hate people that that
Kuku He was able to fight after coming here
He should be able to do it, that boy

Maybe he'll become a stronger man than Ken



Oww ww



I didn't know kicks could do that
He kicked my face as hard as he could, that bastard...!!!
.....But

I bet he was the first person to really understand dad
He really appreciated dad
That old man is cool, he knew what he was talking about
How many times have I seen that dream
That idiot had a kick to tell the world about
Kickboxing huh .....
Is that old guy really strong?
